

NEFLIN

EXPERT SERIES 2017

NEFLIN Events are free of charge for all Florida library staff.
Registration is required. Use the title links or learn more at neflin.org/training

Shola Richards - [The Positivity Solution](#)

This workshop will introduce the eight transformative keys of UB-UNTU, a team-enhancing strategy used to deal more effectively with the most difficult people in your lives. Shola will provide tools to keep you committed to putting this concept into action long after the workshop ends.

January 18th 9 am - 12 noon at ACLD's HQ Library in Gainesville

Maxine Bleiweis - [Open to All: Are You Really?](#)

Is your library only serving half your population? This workshop addresses the way we can accommodate active, hands-on, & auditory learners with surprising results. You'll have the tools and confidence to introduce a new way of thinking about libraries to your administration, staff, and public in a session of give and take, exploration, and ample time for questions and conversation.

February 28th 9 am - 1 pm at Southeast Regional in Jacksonville

David Vinjamuri - [Guerilla Branding: Making Your Library Indispensable](#)

This interactive discussion will guide attendees through a day of learning how organizations build ties to their communities through disciplined but highly creative strategies and tactics. You'll begin to think clearly about your library's current situation and begin to identify how to propel your organization toward its goals.

April 20th 9:30 am - 3:30 pm at Smathers Library East in Gainesville

Innovator's DNA - [Five Discovery Skills](#)

Gain a deeper insight into personal and team skill portfolios of *discovery* (innovation) and *delivery* (execution) *skills* (The Innovator's DNA) that can foster the creation of successful new business models, products, services, and processes. During the workshop we will address questions by understanding and practicing the everyday behaviors of disruptive innovators.

May 5th 9 am - 12 noon at UNF's Carpenter Library in Jacksonville
