

2017 NEFLIN Technology Conference – Call for Proposals

Event: [2017 NEFLIN Technology Conference](#)

Date: Friday, June 2, 2017

Location: [St. Johns County Convention Center at Renaissance World Golf Village Resort](#) – St. Augustine, FL

[NEFLIN](#) invites you to submit a proposal for the **2017 NEFLIN Technology Conference**. We are looking for a balance of sessions that explore innovative technology and will appeal to a broad library audience.

NEFLIN is a non-profit library cooperative that serves member libraries in 24 counties throughout northeast Florida. We host this biennial event that attracts staff from our member libraries to learn about new and emerging technologies.

The **2017 NEFLIN Technology Conference** will be held on Friday, June 2, 2017 at the St. Johns County Convention Center at Renaissance World Golf Village Resort in St. Augustine, FL.

This all-day event will feature keynote [Nicole Hennig](#), independent user experience professional, helping librarians & educators effectively use mobile technologies. The day will also include breakout sessions, presentations, hands-on experiences with new technologies, and a tasty lunch!

You are encouraged to present on up to two different topics during the conference's concurrent breakout sessions. Each session is 45 minutes in length, including time for Q&A. [Read these tips](#) before submitting:

[Online Proposal Form](#)

The deadline for submitting a proposal is 5:00 pm on **February 24, 2017**. If your proposal is chosen you will be notified by the first week of March. We will send acceptance and regret notifications via email.
