

Privacy Tools to Survive the Datapocalypse

Resources

Build your own privacy plan, get lesson plans for programs and more

Virtual Privacy Lab from the San Jose Public Library [<https://www.sjpl.org/privacy/>]

Create a custom toolkit specific to your needs and concerns. Available in English, Spanish, and Vietnamese.

NYC Digital Safety [<https://nycdigitalsafety.org/>]

Privacy and security resources, lesson plans, and tips from the Brooklyn Public Library, the New York Public Library, and the Queens Library.

Choose Privacy Every Day - Resources [<https://chooseprivacyeveryday.org/resources/>]

Tools to learn more and help patrons protect their privacy. Also see the Programs section for programming in-a-box.

Security Education Companion [<https://sec.eff.org/>]

Lesson plans for educators, including learning levels and estimated time per lesson, from the Electronic Frontier Foundation.

Privacy Haus [<https://privacy.haus/>]

Privacy-focused apps and services in categories like email, notes/productivity, messengers, and more.

Library Freedom Project [<https://libraryfreedomproject.org/>]

Privacy training for librarians, and home of the Library Freedom Institute.

Stop. Think. Connect. [<https://www.stopthinkconnect.org/>]

Cybersecurity information, tip sheets, research, and more in multiple languages. Great for displays and public pick-up!

Security In a Box [<https://securityinabox.org/>]

Strategies and tool guides for a safer online experience from the Tactical Technology Collective. Available in English, French, Spanish, Russian, Vietnamese, and more.

Organizations

Advocacy, analysis, research, and news

Electronic Frontier Foundation [<https://www.eff.org/>]

News, additional tools, and more resources to keep learning about digital privacy.

Electronic Privacy Information Center (EPIC) [<https://epic.org/>]

Research, news, education, advocacy and more focusing on privacy in the information age.

The Privacy Coalition [<https://www.privacycoalition.org/>]

Legislative resources, campaigns, and more from a non-partisan coalition sponsored by EPIC.

Tactical Technology Collective [<https://tacticaltech.org/>]

Training, research, and “info-activism” around technology, rights, and civil liberties.

Privacy International [<https://privacyinternational.org/>]

Education, analysis, reports and advocacy on topics including social media surveillance, cybersecurity, data protection and more.

Privacy Tools to Survive the Datapocalypse

Tools

Links to the privacy tools discussed in this presentation

Passphrases

Word lists [<https://www.eff.org/dice/>] – scroll to “Notes on Using the Different Wordlists” for options
Dice roller from Random.org [<https://www.random.org/dice/>]

Password managers

LastPass [<https://www.lastpass.com/>]
1Password [<https://1password.com/>]
DashLane [<https://www.dashlane.com/>]
KeePass [<https://keepass.info/>]

Browsers & searching

Brave [<https://brave.com/>]
Tor [<https://www.torproject.org/>]
DuckDuckGo [<https://duckduckgo.com/>]

Add-ons/extensions

Privacy Badger [<https://www.eff.org/privacybadger/>]
HTTPS Everywhere [<https://www.eff.org/https-everywhere/>]
uBlock Origin [<https://github.com/gorhill/uBlock/>]
All three are available as Firefox add-ons and in the Chrome web store

News & Updates

Stay up-to-date on new tools and news

Electronic Frontier Foundation [<https://www.eff.org/>]

News, additional tools, and more resources to keep learning about digital privacy.

Choose Privacy Every Day [<https://chooseprivacyeveryday.org/>]

ALA’s outlet for privacy news, tools, and resources, and the home of Choose Privacy Week.

Intellectual Freedom Blog [<https://www.oif.ala.org/oif/>]

ALA’s Office of Intellectual Freedom’s blog. The weekly Intellectual Freedom News entries always have a Privacy section with news from around the country.

More:

- Privacy, security, and/or surveillance sections or tags in technology outlets like Wired, CNET, and ZDNet, or in your favorite news sources
- Find privacy-focused organizations and professionals on Twitter
- Set up news alerts for privacy, security, and/or surveillance
